OBJECTIVE

Focused, hardworking and dedicated, I'm unwavering in my dedication to my craft and to my contribution to the team. I'm consistently driven to be a productive and innovative part of every project and to always be exploring techniques to expand and build upon my skills. My intentions are to be an integral member of an agile development group that provides an encouraging attitude toward technical development and career growth opportunities.

EMPLOYMENT HISTORY

2009 - 2017

CBS Interactive | Front End Developer

Overlapping roles as a Front-end Developer for CBSSports, Lead Salesforce Developer and Lead Technical Project Manager for CBS Corp.
